

Ohio Capitol Square Review and Advisory Board
Hosts
2nd Annual Habitat for Humanity Statehouse Build
Presented by:
Ohio REALTORS

Habitat for Humanity of Ohio will frame a Habitat for Humanity home on the grounds of the Ohio Statehouse on May 1st. Members and staff of the 133rd Ohio General Assembly, sponsors and special guests are invited to pound a few nails and help build the interior and exterior walls for a Habitat for Humanity home. Habitat for Humanity and Help Build Hope staff will be on hand to make this an enjoyable experience. Lending a hand is as simple as hammering a nail or two and writing a message to the family on a wall stud.

The event offers an unprecedented opportunity to advance the Habitat for Humanity mission and help build a home for an Ohio family. No experience is required...just plan to have a great time!

Date and Time: Wednesday, May 1st

11:30AM-11:45AM	Opening Remarks <i>West Plaza of Ohio Statehouse</i>
11:45AM-1:30PM	Build Time for Legislators and Staff (stop by any time for 5 minutes...hammer a nail and sign a wall stud) <i>West Plaza of Ohio Statehouse</i>
